Background and Purpose

- Artisanal mining has been one of the focus areas for the KP
 - Highly informal sector
 - Distributed over large areas
 - Weak infrastructure
- Can solutions can be developed with limited resource availability?
- The purpose of the special forum is
 - Stimulate ideas in the direction of finding answers to artisanal issues
 - Show-case some best practice case studies, both within and outside the industry

Setting Context : Artisanal Challenges & Discussion Themes

Thank You!!
